**WORK EXPERIENCE** | **PROJECTMANAGER KÖKÉNY BÉLA EV.**  
SPUN OFF FROM AGRISOL KFT.  
2021 - CURRENT

This company is writing EU tender. My task was to build a network and smaller IT administration. Tools maintenance, commissioning, installation

Compilation of documentation and coordination. Coordinating the employees in the small team. On-site visits, where I could represent both the company and the customer. We have several successful projects behind us.

**PROJECTMANAGER AGRISOL KFT.**  
2020 – 2021

VP, ÉLIP, GINOP EU tender writing is the main profile.

My task was the IT network and configuration of network equipment. The office equipment installation of all employees in the small team. Compilation of the complete documentation of VP and ÉLIP tenders and preparation for submission. Contact with the customer, subcontractor and external partners. Several appearances at the site where the project is implemented by the client.

**JUNIOR PROJECTMANAGER DELTA SYSTEMS KFT.**  
2016 – 2017

I learned the active communication. I have many success project such as OTYS office relocation and IT network installation and MVM and in the network renovation and coordination of the MVM's IT structure and the Duna Autó showroom. After the tour, my tasks included planning the IT network. Based on the plans, I ordered the materials and supervised the works and coordinated with the subcontractors. After completion, I prepared project documentation and forwarded it to my direct supervisor

**LANGUAGES** | English – Limited working proficiency

German – Elementary proficiency

**COMPETENCES** | **Communications:** I communicate effectively with others, including colleagues, clients and managers. I can speak intelligibly and clearly, and I can listen and understand the opinions of others.

**Team Player:** I am easy to work with others and ready to share my knowledge and experience.

**Problem Solving:** I solve the problems that arise and I try to find creative solutions to the challenges. I believe that I approach problems logically and systematically.

**Time Management:** Based on my experience so far, I meet the deadlines. I can set priorities.

**Flexibility:** I adapt to changing circumstances and a dynamic work environment.

**DRIVER'S LICENSE** | Category „B” (Daily routine)

**HOBBY** | I like to hiking in the nature and explore new places and if not hiking then I like to learn new things with which I am more successful in my position.
